Action Taken Student Satisfaction Survey

Students' satisfaction Survey had large number of 3182 respondents. The Result of finding of students' satisfaction survey showed that a large number of students were satisfied of teaching learning process, found the atmosphere conducive for learning, personality development, awareness about their weakness and strengths. The students found sports and cultural activities to show case their talent in ample measure. It was decided by IQAC cell to conduct a meeting of HOD's in the presence of the principal. It was decided that the instruction will be given to all Heads of the Departments to adopt the inclusive teaching methodology to enhance the student's participation in classroom teaching. The teachers are to be more involved with the weak students to create more awareness in them. Sports and cultural even to organized so that the students can develop and overall personality.

With the increasing strength of the students more amenities for girls and boys will be needed. It was kept in the future agenda to develop better infrastructure and other amenities.
